Mitchell's Diner

est. 1938

Mitchell's is probably the oldest and most renowned Ice Cream maker on Long Island. For more than Eighty Years we've been making Delicious Quality Ice Cream using only the finest and freshest ingredients. All of our Ice Cream Creations are crowned with our utterly scrumptious Handcrafted Whipped Cream and our Syrups are made with only the purest, most natural ingredients.

AND... you'll be happy to hear, not only is Mitchell's Ice Cream decadently delicious, but healthy as well. How could that be? It's the natural ingredients and ANTIOXIDANTS! Turns out, Dark Chocolate, the kind we use making our Chocolate Ice Cream and Syrup is loaded with ANTIOXIDANTS.

SO GO AHEAD...ENJOY without Guilt!
